

Spreading Hope, Transforming Lives

Health: Reaching Every Corner

MLDT Patient Care

MLDT has served more than 1 lakh patients and conducted 1,000+ surgeries (cataract, laparoscopic surgeries, etc.) with a total charity contribution of over ₹4 crore through CSR projects, government schemes, individual donors, etc.

Cancer Awareness & Screenings

We covered 40 villages and 20 industries and conducted 6,000+ screenings, which led to 48 life-saving cancer surgeries.

Building Capacity for Better Care

A live surgery demonstration workshop at the Palghar Hospital campus empowered doctors & healthcare workers to collaborate with various stakeholders.

NEW

Innovations for Patient Care

Recognized Excellence

Palghar Hospital's improved Patients' Discharge System won the 'Making Quality Happen Trophy' at the IMCRBNQA

At Palghar Hospital

MJPJAY added new services for Urology, and Oncology (Chemotherapy, etc.) for the community to enhance specialised care.

Navigating Healthcare

Color-coded guidelines are introduced on the Floor to help the rural population access hospital facilities easily.

Bringing Joy to Geriatric Patients

Geriatric patients enjoy fun activities, soaking up the sun while engaging in outside games!

Academics & Research

ICMR Certification: 4 Students completed a course on Scientific Writing in Health Research.

Our MD students showcased their excellence at the state-level 17th Case Presentation Contest organized by the BEACON FOUNDATION and won prizes!

Empowering Women & Mental Health Care

MICROENTERPRISE SUCCESS

➤ **43 Women Empowered:** Supported with seed capital, 43 women launched micro-enterprises such as Kirana shops, tailoring, food stalls, vegetable sellers, etc.

Financial Independence: Earnings range from Rs 3,000 to Rs 18,000 per month. 7 women repaid seed capital within a year.

Mental Health for All

➤ Our 48 Community Health Workers are trained by Samvad, an NGO to identify people from the community who may have mental health issues and may need further investigation.

The three-day training was conducted to enhance screening and counselling skills, ensuring effective care for mental illness in the community

Grateful for Partners & Well-wishers! Cheers to Impactful Years Ahead!
