Community Based Initiatives:

Palghar Rotary Dialysis Centre: started in year 2014, has been a major relief for kidney patients of Palghar who had to earlier travel to Borivali, Vapi & Valsad with great hardships. We have 8 machines which run for 12 hours per day & do more than 500 dialysis cycles per month for patients from Palghar, Dahanu district at a subsidized rate of Rs. 400 per dialysis.

Indigent patient fund & Poor patient fund: Most of our patients are farmers, tribal, fishermen & industrial workers

Female Ward

Male Ward

Homoeopathic OPD

I.C.U.

N.I.C.U.

Dialysis Centre

who find it difficult even to pay the charitable charges of our hospital services. We do not want to turn away a single patient because he cannot pay. So the needs of these patients are met through a poor patient fund managed by our Community care committee. We also do free cataract operations.

Health Awareness programs /Camps:

Paediatrics & Psychiatry Camp, Skit Regarding Alcohol De-addiction, Dental Camp, Cataract Camp.
